Who are we? Why use us?

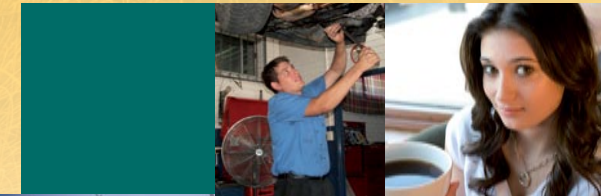

Smart Employment Solutions is a Group Training Organisation based in South East Queensland since 1986. We are one of the largest Group Training companies in Queensland boasting record numbers of school-based and full-time apprentices and trainees.

Smart Employment Solutions supports and promotes school-based and full-time apprenticeships and traineeships. We are pro-active in gaining quality positions for students and take on the obligations to ensure successful outcomes for all parties.

Smart Employment Solutions manages, recruits and monitors the progression of all their employees and keeps an open communication channel with schools, government, training organisations, parents, students and employers.

Benefits for the apprentice or trainee

- Get a trade qualification and progress towards a secure financial future.
- You will be paid whilst attending college.
- Receive all of your award entitlements e.g. tool allowances, annual leave, super etc.
- Gain knowledge and understanding about your chosen career path through your own experience.
- Acquire skills, confidence and experience to increase your employability in the real world.
- Maintain continuous employment throughout your apprenticeship or traineeship.
- Be employed by a company with over 20 years experience in the apprenticeship and traineeship industry.
- Supportive staff to advise you on your career options.
- Many of our Employment Consultants are trade qualified and have hands on experience in the field.
- We have access to a variety of Host Employers to assist you with gaining the full scope of your qualification.
- We also have access to a network of contacts to assist you in your future employment opportunities.

It's that simple.

So **get smart** and **become**
a Smart Employment
apprentice or trainee today.

Benefits for the school-based apprentice or trainee

- Paid employment and training incorporated into your school timetable as a part of your senior certificate.
- Participation in an apprenticeship or traineeship whilst still at school.
- Accelerated progress from school to an apprenticeship or traineeship.
- Support and advice to ensure a smooth transition from school to work.
- Maintain continuous employment throughout your school-based apprenticeship or traineeship.

Benefits for the school

- Smart Employment Solutions will liaise with the school, industry, student, parents and Registered Training Organisation when placing the student into a school-based apprenticeship or traineeship and ensure all essential paperwork is completed.
- School-based apprenticeships and traineeships increase the options available for students by broadening the way students can participate in vocational education and training.
- School-based apprenticeships and traineeships will assist in enhancing the status of vocational education and training in the school curriculum.
- School-based apprenticeships and traineeships strengthen the link between schools, employers, industry bodies and Registered Training Organisations.
- Smart Employment Solutions will assist by supporting students to cope with the adjustment to the demands of the work.
